

The NIGHTS is the most important conference in Europe regarding urban leisure activities, especially at night. After Padua, Brussels, and Berlin the 6th edition will take place from the 10th to the 12th of November 2022 in Zurich Switzerland. All those involved in leisure, nightlife, and festival culture, independently if they represent the industry, science, politics, culture or administration, are invited to take part. The NIGHTS conference is the ideal platform for international networking and exchange across all professional boundaries and we expect around 400 participants from across Europe.
